OTHER MERITS:

I have been working as a leader for a non-profit organisation called Boviks Seglarskola since 2005.

Example of tasks: Take care of kids in ages 9-15 and instruct them in sailing.

I have been a board member, web developer and secretary for the student association SKIP at the Gothenburg University.

Example of tasks: Arranging external courses for students at the IT University of Gothenburg, seeing to that the website is fully functional, managing paperwork and administration of the board.
